

PRIVACY POLICY

The protection of your personal data is very important for the LENNERTS & PARTNER GmbH. Your personal data will be treated confidentially and will only be used within the legal frame of the German Federal Data Protection Act. Should you have any questions, please find our contact information at the end of the data privacy statement.

WEBSITE (WWW.LENNERTS-PARTNER.DE)

Our website may be used without the indication of personal data. As far as personal data (e.g. name, email address) will be collected on our sites, it happens on a voluntary basis. This data will not be transferred to third parties without your express consent.

Please be aware that data transfer via the internet is subject to security risks and, therefore, complete protection against third-party access to transferred data cannot be ensured.

SERVER LOG FILES

When you access our website, the host of our website will collect some information automatically. This information (server log files) includes for example the kind of web browser, the operating system used, the domain name of your internet service provider, date and time of access, your IP address and similar data. This includes only information that cannot be traced back to an individual person. This information is technically necessary in order to deliver the requested content of the website correctly and arises compulsively when using the internet. Furthermore, this data will not be combined with any data from other sources.
